The students of Maharaja's High School have given up the fast three days ago. The members of the Mysore Legislature have naturally exhibited anxiety for the standard of education going down in the State. Since these measures are meant to raise the standard of education, Hon'ble members will appreciate the measures taken by Government.

Also since Government have sanctioned free Secondary Education from 1966-67, the enforcement of such disciplinary measures is quite essential.

Business of the House.

Mr. SPEAKER.—Everybody seems to be busy till we assemble here. I have been appealing to the members to coordinate. Why not they do that ?

Sri S. SHIVAPPA (Shravanabelagola).—Sir, if you agree and if the leader of the House agrees.....

Mr. SPEAKER.—I have no objection.

Sri S. SHIVAPPA.—Sir, we have got two days for "Industries Demand" and we can take one hour from that.

Mr. SPEAKER.—I want the member to understand the difficulty of co-ordinating the work. I was trying to co-ordinate it myself. The result was dissatisfaction. I do not want dissatisfaction on my account. Let them adjust amongst themselves and utilise the time fully. I am prepared to sit for one hour more. It is difficult to satisfy everybody. Everybody thinks that he is the only person to be heard.

Sri S. SHIVAPPA.—On our side, we will give the agreed list.

Mr. SPEAKER.—If everybody takes more time, naturally the last person is not able to find time. If the leader of opposition wants, he may again meet. What shall I do ? I will suggest that another 30 minutes or 45 minutes for this Demand, but this excess time taken will go out of the Industries demand. I have got two names from the Congress side and names from the Opposition side.

Sri S. NIJALINGAPPA (Chief Minister).—We are agreeable, provided we finish the Industries Demand on the next working day.

Mr. SPEAKER.—I will give one hour more for this on the condition that we will co-operate and see that the Industries Demand is finished on the next working day.

I call upon the Hon'ble member Sri Channabyregowda to speak for ten minutes.
